WELCOME

It is with great pleasure that we welcome you to join the ICCC family and other believers at this Africa Regional Conference: *The Power of Crossing Over - Aligning with God's Purposes in Our Time.*

We call to memory the prophetic word of confirmation below that was given to Gunnar J. Olson, the founder of ICCC, at the founding of the ministry in 1984 through an anonymous caller at midnight:

"This is the time when this new thing shall be done. It is a plantation which is clean and pure. I see great trees and many smaller trees and bushes. The big trees will protect the plantation when the storm is breaking loose. This is a shelter for many people.....Keep your eyes on the Kingdom that cannot shake...that begins here - that sends to all those who hold Him for faithful. It begins already here and shall not be taken away from you."

Without a doubt, we are at a prophetic crossing over moment! We either advance and get into the water with God and live or turn back and perish!

- The world is facing unprecedented challenges and a crisis of faith. Families are under threat from redefinition of the most fundamental and foundational values.

- We are witnessing political confusion and turmoil in the nations and struggling economies, food shortages and rising prices. War and violence are increasing, as is anarchy and the breakdown of social order and security
- Climate convulsions all over the globe are evidence of a world that is no longer normal or predictable, with fires, storms, drought and flooding mocking man's ability to predict the weather with meaningful accuracy!
- The fast-paced development and adoption of Artificial Intelligence (AI) in diverse fields has the potential of becoming a real threat to humanity, and the merging of men and machines present new ethical challenges.

The people of God are challenged by the darkness, and the Word of God itself is under threat! Yet the dream of God for a special people on earth who become a channel of His love to a suffering world is even more alive and needed today! **A worldwide people who, in their business and working lives, are experiencing the reality of goals, strategies and plans becoming an outward manifestation of an inward walk of faith, leading to a glorious release of the Kingdom of God on earth, here and now!**

Given these encroaching times, we believe it is time for believers to cross over from *proclaiming* to *manifesting* the Kingdom in its reality and power. It is time to win the inner battle of unbelief and to overcome by faith, and enter into the Promised Land. It is time to conquer the enemy within - fear, double-mindedness, greed and personal agendas and to serve the King in Truth and in Spirit. It is time to listen, hear and obey God in all we do, and to act when He speaks to do His will! It is time to arise together as a people of God, and contend for the faith handed over to us by those who came before us and, with fear and trembling, disciple our families, workplaces, communities and nations into the ways of God. Through Jesus, God has laid claim on nations! It is time to disciple nations as commanded in Matthew 28.

Is it not telling that 2000 years after the Great Commission, Christianity cannot point to a single Christian nation?

TO NAIROBI

It is time to sanctify ourselves, align with God's larger purposes in our time and manifest His love, freedom and power, and allow Jesus to lead us by His Spirit. It is time to challenge one another to greater Kingdom exploits, encourage one another to believe God for more than just personal salvation! It is time to up our faith and contend for The Faith which was once delivered to us!

During this Africa ICCC Regional conference, we will deal with how to take responsibility and stand in the gap, find the redemptive calling for our nations in a practical manner. We will consider and reconstruct our minds, our faith, the Church and nations according to the original blueprint that was in the heart of God when He called us as a people in the marketplace who walk by faith in Him.

In August 22-24, 2023 we witnessed the BRICS in Africa gathering in South Africa. While we rejoice that this time, unlike in Berlin 1884, Africa was not only invited to this gathering but was Chair of the session, we recognize this could well prove to be another Berlin experience! We know that BRICS seeks to reduce the influence and control of

the West over the people, nations and resources of Africa.

This cannot and must not happen! WE MUST ARISE AS AFRICA INTO THE PURPOSES OF GOD IN THIS SEASON, AND NOT JUST END UP WITH NEW SLAVE MASTERS! THE NEW MASTER WE WANT IS JESUS CHRIST OUR REDEEMER! IT IS TIME TO SEEK & CRY OUT TO GOD, OBTAIN HIS INSTRUCTIONS & OBEY!

The battles of kingdoms over the continent of Africa must result in the release and arising of Africa into the Purposes of our God for the End-Times! We cannot anymore come to the table as beggars or underdogs but as equals as created by the Almighty God for a Special Purpose whose time has come!

Welcome to the Africa ICCC Regional Conference in Nairobi, Kenya in November 2023. JOIN US AS WE CROSS OVER TOGETHER INTO THE FUTURE THAT HAS BEEN IN THE HEART OF GOD FROM THE BEGINNING!

KARIBUNI KENYA!

Rene Kiamba - ICCC Africa Regional Director

INTERNATIONAL CHAIRMAN - JAN STURESSON:

For the next regional international ICCC conference the Lord is leading us to Africa and Nairobi, Kenya.

Africa is in many dimensions a very rich and blessed continent, but at the same time it has for a very long time been struggling with big problems - tribal fights, poverty, diseases, and not least corruption. We have to ask ourselves why? Did not other countries come to serve and support? Yes - a lot of blessings have been released. But also the opposite. Often the self-interest from the other nations was bigger. Slave trade started out of Africa 400 years ago into Virginia, USA. Colonialists came and both blessed and cursed nations. The land was often split and divided. Decisions were taken between other parties - not together with Africa nations. HAS THE TIME COME FOR FORGIVENESS, SO THAT WE MAY COME INTO THE NEXT STEP OF RESTORATION!?

One of the unique assets in the continent is the young and aspirational population, while aging is a huge problem in other big parts of the world. At the same time the geopolitical war of the assets in Africa between China, Russia and other stakeholders has devastation around the corner for both Africa and the rest of the world... This WAR CAN ONLY BE WON IN PRAYER & WORSHIP!

In the "ICCC Power of Crossing Over Conference", we hope to take relevant personal steps, in full obedience to the Lord, impacting the Future of Africa and also calling forth the destiny of Africa to shine the light for the World in a very special situation today!

We look forward to seeing you there! With every blessing / Jan Sturesson

"The Power of Crossing Over"

Message to ICCC Africa from ICCC Founder Gunnar J, Olson - Sweden

From the inception of the ICCC we have said: "There is an anointing available for those with eyes to see and ears to hear the call of the times." This is indeed true for God's chosen people. Through the Africa Regional ICCC Conference "The Power of Crossing Over" God is calling on Africa! ARISE Africa! And enter into your Divine Mandate in the Kingdom of God. The time has come when God is bringing forth a new generation of sons and daughters who are called to Cross Over into a life that is manifesting the Kingdom of God in everything.

*That is to manifest here in time and space the very Presence, the Glory and the Power of God. Thereby executing Righteousness, and in so doing, advancing the Purposes of God in the earth, to the Glory of God! The Spirit of God has prepared a **highway of holiness**, which will cause the world to marvel as the fountains of God are breaking forth. But - and there is a but - we who are responding to God's call must understand that the Will of God is more important than our own wishes and the opinion of men!*

Don't miss the Africa Regional Conference "The Power of Crossing Over"! God will equip you for such a time as this! God is not looking for the rich and famous, He is taking what is nothing - those who are humble and broken hearted, but hungering for more of the Lord in their lives! Through the power and leading of the Holy Spirit, God will equip you and empower you to Cross Over into a life in the Spirit that will glorify God!

And the time is now!
